A. To facilitate consideration of the business and management of the Board and of the University, standing committees are established as hereinafter set forth. Any matters appropriate for consideration by a standing committee first shall be referred thereto, except by a two-thirds vote of the Board present at a meeting of the Board but in no event by an affirmative vote of less than a majority (eleven) of the members of the entire Board; provided, however, that any matter referred to and considered by a standing committee, but upon which the committee makes no recommendation or report to the Board, may be brought before the Board for consideration at the request of any member of the Board. Except as otherwise provided in these Bylaws, matters determined by the permanent Chairman of the Board, the President of the University, and the Secretary to be appropriate for consideration by more than one standing committee shall be referred only to the standing committee of primary jurisdiction. other than in the ex officio capacity of Chairman Emeritus, that vacancy shall be filled by the same method prescribed above at the next regular meeting of the Board following the creation of the vacancy provided all Board members entitled to vote thereon receive at least fifteen days prior notice of such vacancy and the scheduled election.

D. The Executive Committee shall appoint members to the various other standing committees following the August meeting of the Board in every even year. In the event a vacancy occurs on a standing committee, that vacancy shall be filled by appointment by the Executive Committee at the next regular meeting of the Executive Committee following the creation of the vacancy.

ARTICLE VIII
RESPONSIBILITIES OF STANDING COMMITTEES

SECTION 1. ACADEMIC AFFAIRS AND FACULTY LIAISON COMMITTEE. The Academic Affairs and Faculty Liaison Committee shall consist of not less than three members nor more than eight members of the Board appointed by the Executive Committee following the August Board meeting of each even year. The members so appointed shall elect a Chairman of the Committee at the first scheduled meeting following such appointment. The term of the Committee Chairman shall be for two years from the date of election until the appointment of Committees by the Executive Committee in the next even year. The Committee Chairman shall be eligible to succeed himself for not more than one additional, consecutive term. In the event a vacancy occurs in the office of Committee Chairman, the remaining members of the Committee shall elect a new Committee Chairman to complete the term of the vacating Committee Chairman at the first meeting of the Committee following the occurrence of such vacancy. Such service in completing a term shall not limit the Board member so elected from serving two additional consecutive terms as Chairman as provided above.

The Committee shall be kept informed of all academic programs; of the conditions affecting recruitment and retention of faculty members; of the adequacy of instructional facilities; of the proposal of new degrees, major programs or institutes; of the proposal to eliminate existing degrees, major programs and institutes; and of such other matters relating to the educational policies and programs as may be brought before it or referred to it by the Board. It shall consider the development of new programs, degrees, institutes and research for submission to the State Commission on Higher Education. It shall consider and make recommendations to the Board with respect to the naming of any academic centers, institutes, or other such programs. It shall report on all such matters to the Board from time to time with such recommendations as it may consider relevant to the achievement of the University’s goal of academic excellence.

The Committee shall consider recommendations for tenure and promotion; honorary faculty titles; extensions of service; and appointments with tenure.

The Committee shall meet from time to time with the Faculty–Board of Trustees Liaison Committee of the Faculty Senate on matters of concern to the faculty and of concern to the Board, and shall keep the Board informed of all such matters.

The Committee shall review from time to time all recommendations forwarded by the President in accordance with the Policy on Honorary Degree Recipients and shall recommend there from to the Board appropriate recipients of such degrees. Approval by a three-fourths vote of the members present at the Board meeting next following the meeting at which the recommendation is made shall be required to approve the granting of such honorary degrees.

The Committee shall likewise serve as the final forum of appeal in faculty matters pertaining to revocation of tenure and dismissal of tenured faculty members.
SECTION 2. AUDIT AND COMPLIANCE COMMITTEE. The Committee shall consist of not less than three members nor more than eight members of the Board appointed by the Executive Committee following the August Board meeting of each even year. The members so appointed shall elect a Chairman of the Committee at the first scheduled meeting following such appointment. The term of the Committee Chairman shall be for two years from the date of election until the appointment of committees by the Executive Committee in the next even year. The Committee Chairman shall be eligible to succeed himself for not more than one additional, consecutive term. In the event a vacancy occurs in the office of Committee Chairman, the remaining members of the Committee shall elect a new Committee Chairman to complete the term of the vacating Committee Chairman at the first meeting of the Committee following occurrence of such vacancy. Such service in completing a term shall not limit the Board member so elected from serving two additional consecutive terms as Chairman as provided above.

The Committee shall review and monitor the finance and fiscal policies and procedures of the University, its departments, and related entities; receive and evaluate reports and recommendations of internal and external auditors; advise the Executive Committee and the Board of the financial status of the University, its departments, and related entities; perform such studies of financial matters as the Executive Committee or the Board may request; and recommend fiscal policies to the Executive Committee and Board that will better serve the needs of the University of South Carolina and the public.

SECTION 3. BUILDINGS AND GROUNDS COMMITTEE. The Buildings and Grounds Committee shall consist of not less than three members nor more than eight members of the Board appointed by the Executive Committee following the August Board meeting of each even year. The members so appointed shall elect a Chairman of the Committee at the first scheduled meeting following such appointment. The term of the Committee Chairman shall be for two years from the date of election until the appointment of Committees by the Executive Committee in the next even year. The Committee Chairman shall be eligible to succeed himself for not more than one additional, consecutive term. In the event a vacancy occurs in the office of Committee Chairman, the remaining members of the Committee shall elect a new Committee Chairman to complete the term of the vacating Committee Chairman at the first meeting of the Committee following occurrence of such vacancy. Such service in completing a term shall not limit the Board member so elected from serving two additional consecutive terms as Chairman as provided above.

The Committee shall be charged with the consideration of all Board matters relating to the buildings and the grounds of the University System; the design and location of new buildings and maintenance, improvement or remodeling of older buildings; the landscaping of the grounds; and all other matters having to do with the physical care and preservation of the University’s physical plant, furniture, and equipment. It shall report to the Board with its recommendations thereon and also on all contracts relating to new construction, to improvement and repairs to existing buildings, and to improvements and maintenance of the grounds of the University.

The Buildings and Grounds Committee shall review in advance all recommendations relating to the naming of buildings and other facilities and outdoor areas under the management control of the University or operated by the University or any single purpose support organization created to support the activities of the University and shall make recommendations to the Board regarding same. In this regard, it shall be the general policy of the Board, and, therefore, of this
Committee, that no building, part of a building, outdoor space, or facility shall be designated by the name of any particular person or entity except:

A. in cases where a gift, either inter vivos or testamentary, has been accepted by the Board for (1) the construction or naming of a building, part of a building, or other facility, or (2) the creation or naming of an outdoor space, or other facility, and the terms of the gift require or request that a particular name be used; or

B. in cases where it is desired to honor a past President of the University, a past Chancellor of a component four-year institution within the University System, or a past Campus Dean of a component two-year institution within the University System, for conspicuous services to the University; or

C. in cases where it is desired to acknowledge conspicuous services of an individual (other than a past President, past Chancellor or past Campus Dean) employed by the University for not less than fifteen years whose exceptional leadership and unique successes on behalf of the University in his or her field of endeavor have been recognized nationally and have enhanced significantly the reputation and good-will of the University in the local community, the state, and the nation; provided, however, any motion for such special individual designation of a building, part of a building, outdoor space or facility (1) shall not be considered while the individual remains employed in the position for which he or she is to be recognized, and (2) shall require approval by a two-thirds vote of the members present at the Board meeting at which the recommendation is made; or

D. in cases where it is desired to acknowledge conspicuous services of an individual (other than a past President, past Chancellor or past Campus Dean) to the University; provided, however, any motion for such special individual designation of a building, part of a building, outdoor space or facility (1) shall not be considered until one year after the death of the individual involved, and (2) shall require approval by a three-fourths vote of the members present at the Board meeting at which the recommendation is made.

Buildings and other naming opportunities shall only bear the name of individuals or entities that exemplify attributes of integrity, character and leadership consistent with the highest values of the University. In the event the Buildings and Grounds Committee determines that those attributes have been violated, it shall recommend to the Board that the individual’s or entity’s name be removed.

SECTION 4. EXECUTIVE COMMITTEE. The Executive Committee shall consist of the permanent Chairman of the Board, the Vice Chairman of the Board, the Chairman Emeritus of the Board, and not more than three other members of the Board elected by the General Assembly who shall be elected as hereinabove provided.

The Executive Committee, during the interim between meetings of the Board, shall have all the powers of the Board not inconsistent with the established policies of the Board or with any action theretofore taken by the Board; provided, however, that the Executive Committee shall not preempt the role of a standing committee as stated in Section 1 of Article VII except in those emergency circumstances which do not permit the handling of a matter in the normally prescribed manner. The Executive Committee shall function as a continuous planning and financial committee of the Board, exercising general supervision of the finances of the University; shall review in advance the proposed
budget for the succeeding year; and shall review in advance the proposed application for appropriations for the succeeding fiscal year in the light of overall University plans. It shall make reports to the Board at each meeting on all such matters occurring since the previous meeting.

The Executive Committee shall provide for an appropriate fidelity surety bond or bonds covering all officers, agents, and employees of the University who at any time shall hold any property or funds of the University and for appropriate officers and directors’ insurance to insure the officers and members of the Board against liability arising by virtue of the acts of such officers or Board members in their official capacity with the University.

SECTION 5. HEALTH AFFAIRS COMMITTEE. The Health Affairs Committee shall consist of not less than three members nor more than eight members of the Board appointed by the Executive Committee following the August Board meeting of each even year. The members so appointed shall elect a Chairman of the Committee at the first scheduled meeting following such appointment. The term of the Committee Chairman shall be for two years from the date of election until the appointment of committees by the Executive Committee in the next even year. The Committee Chairman shall be eligible to succeed himself for not more than one additional, consecutive term. In the event a vacancy occurs in the office of Committee Chairman, the members of the Committee shall elect a new Committee Chairman to complete the term of the vacating Committee Chairman at the first meeting of the Committee following the occurrence of such vacancy. Such service in completing a term shall not limit the Board member so elected from serving two additional consecutive terms as Chairman as provided above.

The Committee shall be charged with the consideration, formulation, review and approval of all matters affecting the activities or policies of the School of Medicine, the South Carolina College of Pharmacy, the College of Nursing, and the School of Public Health, and shall be kept informed of all matters affecting these activities or policies in order that it may make recommendations and reports to the Board.
